

ZSK-764

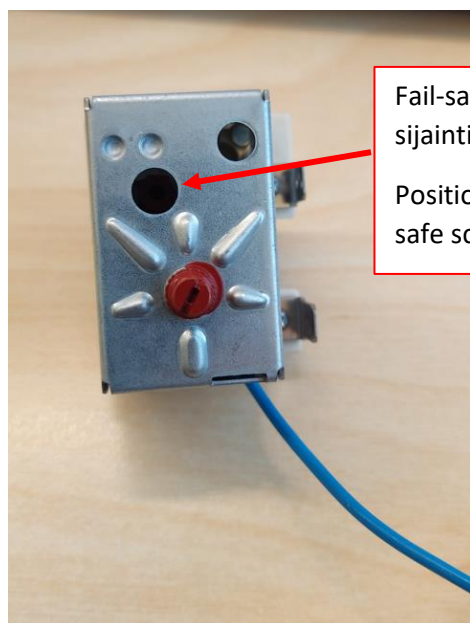

Fail-safe ominaisuuden deaktivointi

Deactivating fail-safe feature

Koodi / Item number: ZSK-764

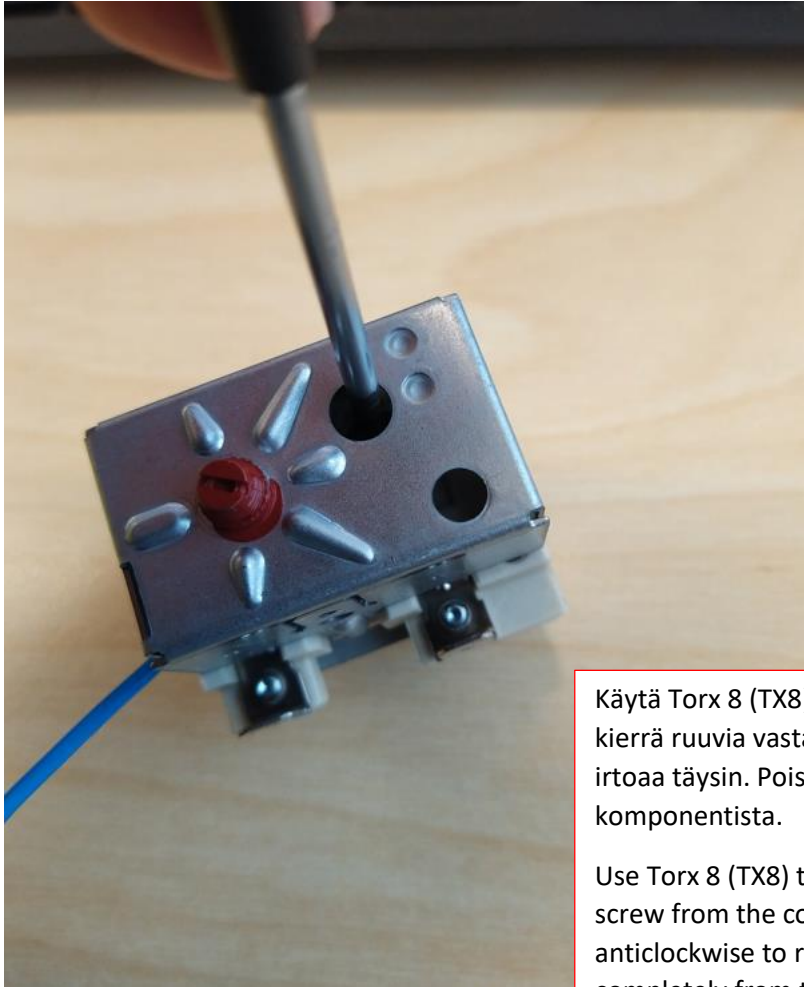

(EGO mallikoodi / EGO model code  
56.10529.505)

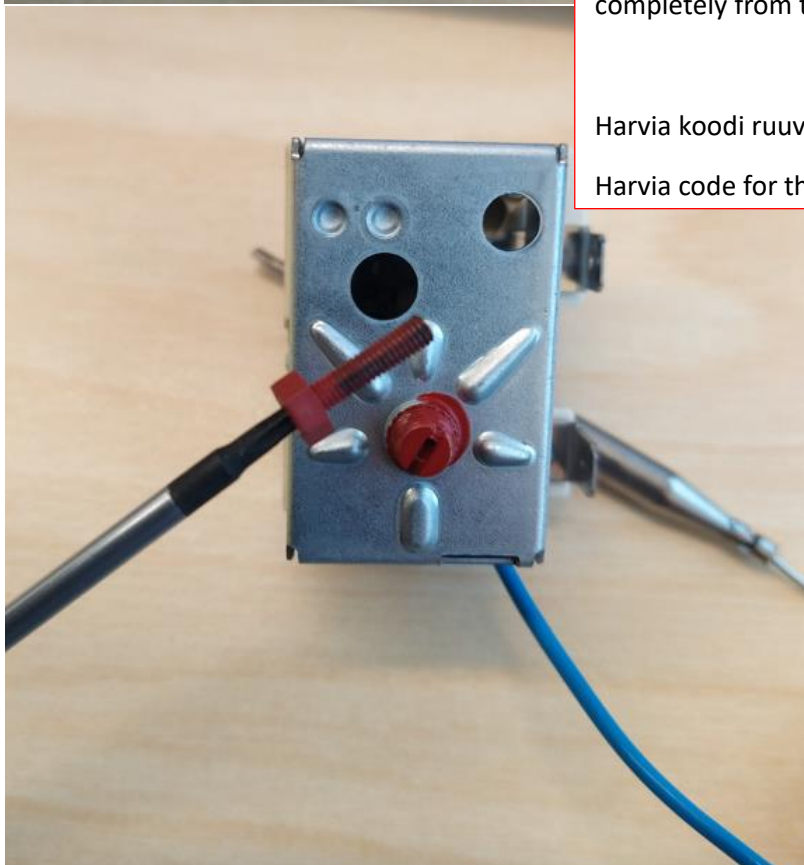

Fail-safe ruuvin  
sijainti

Position of the fail-  
safe screw

Käytä Torx 8 (TX8) ruuviväännintä ja kierrä ruuvia vastapäivään siten, että se irtoaa täysin. Poista ruuvi komponentista.

Use Torx 8 (TX8) tool to remove the screw from the component. Turn anticlockwise to remove the screw completely from the component.

Harvia koodi ruuvivääntimelle: ZHS-108

Harvia code for the tool: ZHS-108
